

Data Sheet 1001201

Product: LS Home 900Mhz (20mm rør) 50m.
El-number: 1001201
Mat.no: EKO03922
EAN: 7020160392213
Packing: 50
Color: Polarwhite

Product description: A double shielded (S/STP) LSFROH 4 pair cable that offers very high band width and good installation performance. The WB (Wide Band) cable connects the patch module and outlet in the passive link. Each pair is individually shielded in a metal foil and all pairs together covered by a tinned copper wire braid. The WB cable can be used in both surface and flush mounted installation and shows excellent resistance to damage and reduction of performance due to stress from the installation work. ELKO Link Home communication cable pre assembled in 20mm cable conduit. Delivered in anti spin boxes / 50m lengths. Each box is supplied with documentation of pulling force used during assembly.

Technical specifications: Bandwidth: 0-900 Mhz (CATV).
AWG: 23.
NVP: 0,81.
Size : 34x39,5x40 cm.
Material cable: LSFROH.
PVC tube
