## QuickInstall Lyskaster 12W 3000K

### Spesifikasjoner:

#### Produkt detaljer

|                |                            |
|----------------|----------------------------|
| Produkt Navn   | QI LED Lyskaster 12W 3000K |
| Produkt Nummer | 3234480                    |

#### Lys

|                    |         |
|--------------------|---------|
| Lumen              | 960lm   |
| CRI                | >70     |
| Effektivitet(lm/W) | 80 lm/W |
| Effektfaktor       | 0,9     |
| Strålingsvinkel(°) | 120°    |

#### Elektriske egenskaper

|               |                    |
|---------------|--------------------|
| Innspenning   | 85-265VAC, 50/60Hz |
| Effektforbruk | 12W                |

#### Dimensjoner

|                   |                                            |
|-------------------|--------------------------------------------|
| Produkt størrelse | Lengde: 175mm Bredde: 135mm<br>Høyde: 42mm |
|-------------------|--------------------------------------------|

#### Sikkerhet

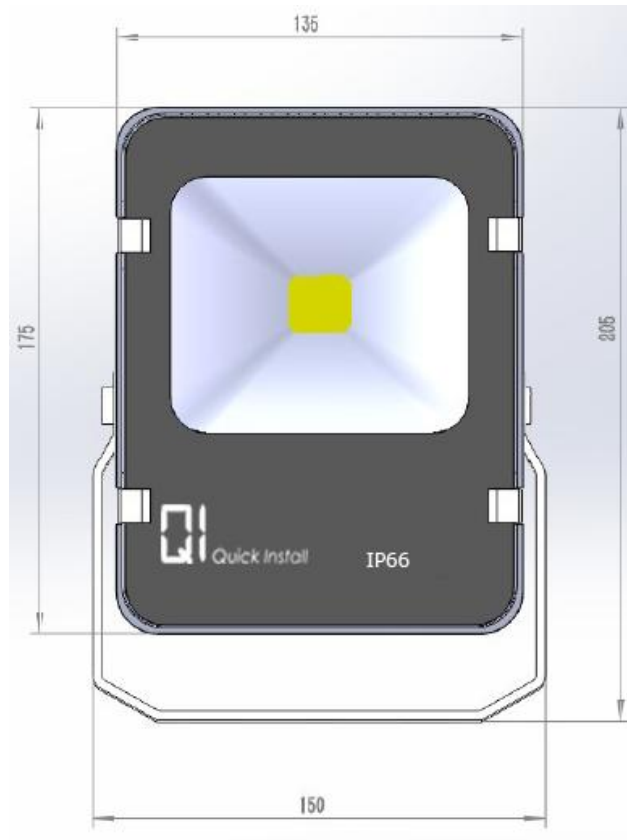

|                   |                   |
|-------------------|-------------------|
| IP gradering      | IP66              |
| Omgivelser        | Utendørsmontering |
| Forventet levetid | 50.000 timer      |
| Garanti           | 5år               |

#### Komponenter

|                          |                  |
|--------------------------|------------------|
| Lyskilder, LED           | Bridgelux 45mil  |
| Bevegelse/Dagslys Sensor | Nei              |
| Tilkobling               | 1,5m kabel, 230V |

#### Dimming

|              |              |
|--------------|--------------|
| Type dimming | Ikke dimmbar |
|--------------|--------------|

## QuickInstall LED Floodlight 12W 3000K

### Specifications:

#### Product details

|                |                             |
|----------------|-----------------------------|
| Product Name   | Qi LED Floodlight 12W 3000K |
| Product Number | 3234480                     |

#### Light Output

|                  |         |
|------------------|---------|
| Lumen            | 960lm   |
| CRI              | >70     |
| Efficiency(lm/W) | 80 lm/W |
| Power Factor     | 0,9     |
| Beam Angle(°)    | 120°    |

#### Electrical Properties

|               |                    |
|---------------|--------------------|
| Mains Supply  | 85-265VAC, 50/60Hz |
| Power, System | 12W                |

#### Dimensions

|              |                                             |
|--------------|---------------------------------------------|
| Product Size | Length: 175mm, Widht: 135mm<br>Height: 42mm |
|--------------|---------------------------------------------|

#### Safety

|               |                  |
|---------------|------------------|
| IP Rating     | IP66             |
| Environment   | Outdoor mounting |
| Expected Life | 50.000 hours     |
| Warranty      | 5years           |

#### Components

|                   |                  |
|-------------------|------------------|
| Light Source, LED | Bridgelux 45mil  |
| Movement/Daylight | No               |
| Connection        | 1,5m Cable, 230V |

#### Dimming

|         |              |
|---------|--------------|
| Dimming | Non dimmable |
|---------|--------------|
