6438100357511

CU250

Code	CU250
GTIN	6438100357511
Name	
Description	Connecting plug for two 250 A screened separable connectors (plug-in)
Vendor	Ensto Ensek AS

Technical specification

Electrical values

Highest system voltage:	24 kV
Number of cores:	1
Nominal current A:	250 A

Others

ETIM Class:	EC003521
-------------	----------

Dimensions

Weight:	0,25 kg
---------	---------

ETIM 7 Technical specification

etim

Suitable for indoor use:	True
Suitable for outdoor use:	True
Rated voltage U0/U (Um):	12/20 (24) kV
Nominal current according to EN 50180/EN 50181:	A (250 A)
Suitable for number of cores:	1
Screened:	False
Nominal cross section:	10 ... 120 mm ²
