

Item no. 897-251

WINSTA® IDC > pre-assembled flat cable; Eca; 5G 2.5 mm²;
 PVC; 3L + N + PE; 0.6/1 kV; 2,50 mm²; green

Color:

Flat cable **WINSTA® IDC** 5-pole

The flat cable from the **WINSTA® IDC** product line is the advanced solution for straightforward installation. With WAGO, you can enjoy the advantages of a large selection of accessories for the **WINSTA®** product line.

This product meets all the relevant fire protection requirements of fire class E; therefore it can be used in domains where fire safety is relevant.

WINSTA® IDC solutions for your electrical installation – maintenance-free

The **WINSTA®** Pluggable Connection System is ideally tailored to the strict requirements of building installation. It makes electrical installation pluggable, and thus faster, even more reliable, and error-free. Use of this pre-assembled system decreases time spent on assembly and errors during installation at the construction site. Enjoy the benefits of the pluggable version of our maintenance-free spring pressure connection technology too! Plan your installation with **WINSTA® IDC** accessories with fire class E from WAGO.

- saves time, since no wiring is required at the construction site
- fast, secure installation
