

## Certificate of Conformance

### REACH

REACH Regulation (EC 1907/2006) with amended regulations up to (EU) 2020/171

REACH (*Registration, Evaluation, Authorization and Restriction of Chemicals*) is the European Union's (EU) chemical substance regulatory framework. Suppliers, manufactures and importers of articles that contain a substance on the [SVHC candidate list](#) in a concentration above 0.1% w/w shall provide the recipient of the article with sufficient information available to the supplier, to allow safe use of the article, including, as a minimum, the name of the substance [REACH Article 33](#).

Sørskår Mekaniske Verksted hereby confirm that the product(s) listed below does not, to our current knowledge, contain any REACH substances listed in the SVHC candidate list, in concentration equal to or exceeding 0.1% w/w (per article).
