ELKO AB / AS

Object. ELKO AB / AS, RoHS declaration (RoHS: Restriction of Hazardous Substances)

**Product identification:** Radiator Thermostat for Elko Smart: EKO09765.

**Declared product:** Radiator thermostat enables your Wiser system to enter a whole new level of smart. With a direct connection to the boiler, they enable you to control the ON/OFF times and temperatures of individual rooms via the intuitive App with a temperature step of 0,5°C; it controls a stepper motor to open or close the mechanical valve on the water heating radiator to control the targeted temperature. It is battery powered.

The targeted temperature is setup by a RF communication network with a home automate controller  
The product used for the analysis is **EKO09765** and belongs to the RoHS category **9**.

**Object of the declaration:** ELKO: Radiator Thermostat for Elko Smart**Product:**

Elko Smart Extension kit with 3 radiator thermosts	EKO20001

**Dear Customer,**

Effective July 1<sup>st</sup>, 2006, the European Directive 2002/95/EC –“Restriction of Hazardous Substances” (RoHS), its recast 2011/65/EU of June 8<sup>th</sup>, 2011, the Delegated Directive (EU) 2015/863 of March 31<sup>st</sup> 2015, restrict the use in Europe in certain electrical and/or electronic equipment’s of lead, mercury, cadmium, hexavalent chromium, polybrominated biphenyls (PBB), polybrominated diphenyl ethers (PBDE) flame retardant, and from July 22<sup>nd</sup> 2019, Bis(2-ethylhexyl) phthalate (DEHP), Butyl benzyl phthalate (BBP), Dibutyl phthalate (DBP), Diisobutyl phthalate (DIBP).

Elko has decided to make RoHS compliance of its products one of its priorities, even if they do not fall in RoHS scope, and most of Elko products are RoHS compliant. This stance is fully in line with Elko environmental policy and EN50581 standard.

The following products are RoHS compliant with exemptions, 6(a), 6(c), 7(c)-I.

The information below provides the current product status according to regulation in force at the date of publication of this present document. Any future changes, either in product design or in the Directive may change the status reported here. In case the product is inside the legal scope of RoHS, please note that this document is not the CE declaration. To access to the CE declaration, please refer to our [download center](#). In the context of the sustainable development policy of our Company we continuously work towards products and services which reduce the impact on environment or human health when used for their intended purpose and in conditions stated in the documentation provided by Elko.

Shall you need any further information or have specific questions (eg. related to phased out products), our [customer care center](#) will support you. Please Note: You can find more information about Elko environmental commitment on [our website](#).
