Halogen-free corrugated installation PP conduit. H07Z1-R (FQ EASY) is a halogen free, HFFR insulated house wiring cable. The cable is made of low friction insulation material and class 2 stranded wires.

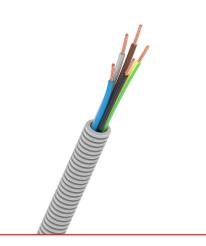

## DESCRIPTION

Pre-wired FQ/IX Easy<sup>™</sup> in 16 mm corrugated conduit. H07Z1-R (FQ/IX Easy<sup>™</sup>) is a halogen-free, HFFR-insulated house wiring cable with extremely low-friction material and a circular stranded copper conductor. The cable meets fire requirements according to CPR class Dcas2d2a2. In the event of a fire, the cable emits no corrosive gases and has little smoke. FQ Easy™ is approved by Intertek.

The halogen-free PP (polypropylene) corrugated conduits are intended for recessed installation, laying on cable ladders and casting in concrete. The product will be delivered in a flexible and user-friendly packaging. Cable Guy, that simplifies the installation work significantly, alternatively on the cable drum that fits in Nexans' drum trolley, Cable Walker.

#### **Colour combinations:**

- 3 cores: Brown blue green/yellow
- 4 cores: Brown blue black green/yellow
- 5 cores: Brown blue black grey green/yellow
- 6 cores: Brown blue black grey white green/yellow
- 7 cores: Brown blue black grey white orange green/yellow
