## Product name: Indoor 2-port Box with Sliding Lid

Application

●Optical Telecommunication System, LAN, Optical fiber Communication System

●Optical fiber broadband access network, FTTH access network

Features

-Compact Dimension

-Adaptor protection with sliding lid

-Easy mounting with additional bracket

Main Parameter

Dimension	84*130*24mm
Material	ABS
Port Number	2 ports
Max fiber capacity	2 fibers with SC simplex adaptor, 4 fibers with LC duplex adaptor
Package	Packed with inner carton or plastic bag individually
Operating Temperature	-40℃~60℃
