

## Confirmation RoHS Conformity

We hereby confirm the conformity of our products in accordance with the RoHS Directive 2011/65/EU European Parliament and of the Council of June 8, 2011 on restricting the use of dangerous substances in electrical and electronic devices.  
The directive 2015/863 states, that the substances (DEHP, BBP, DBP, DIBP) are only permitted maximum concentration in homogeneous materials of max. 0.1 percent by weight should be used.  
K'ELECTRIC GmbH hereby declares, that all delivered products are produced in a RoHS-compliant manner, as well as compliance with the maximum permissible concentrations homogeneous materials in percent by weight in accordance with the current annex to the directive
