NOTICE on application of the luminaire.

This luminaire is suitable for indoor and outdoor use (not directly exposed).

The resistance of this luminaire against chemical products or environments containing these may be limited or even nil.

Before using aggressive detergents, disinfectants or installing the luminaire in hazardous areas (as car washes, swimming pools, industrial kitchens, industrial laundries, slaughterhouses, etc ...) or in case of doubt, please contact your distributor. For some of these conditions, appropriate products are available. Do not clean under high pressure.
