REACH Compliance Declaration

OJ Electronics is dedicated to serving you by providing high quality engineered access hardware solutions that meet environmental regulations. We are providing you with the following information to assist you in meeting your environmental policies and procedures.

REACH

To the best of our knowledge, the products listed below, supplied by OJ Electronics A/S, meet the requirements of REACH (Registration, Authorisation and Restriction of Chemicals, European Union Regulation (EC) 1907/2006) with amendments, meaning that products do not contain components with more than 0,1% (w/w) of any Substance of Very High Concern, SVHC, referring to the SVHC Candidate List of 04th of February 2026.

We are aware of our duties as a "downstream user". We have assured that our key suppliers understand the importance of the REACH legislation and their duties in keeping us informed of any Substances of Very High Concern (SVHC) in products they supply to OJ Electronics. This in order for us to be able to act promptly if there is a suspicion, that any of the chemicals on the SVCH-list are used in our components in concentrations above 0,1%.

Products of OJ Electronics do not contain any substances regulated under REACH Annex XIV (Authorisation List) and Annex XVII (Restriction List).

Best regards,
OJ ELECTRONICS A/S

Güldem Güney, Material Compliance Specialist
