REACH Declaration

OJ Electronics is dedicated to serving you by providing high quality engineered access hardware solutions that meet environmental regulations. We are providing you with the following information to assist you in meeting your environmental policies and procedures.

In accordance with REACH, Registration, Authorisation and Restriction of Chemicals, European Union Regulation (EC) 1907/2006 with amendments, we hereby declare that to the best of our knowledge no products sold by OJ Electronics contain any substances regulated under REACH Annex XIV (Authorisation List) and Annex XVII (Restriction List).

The products listed below do include electronic components with a content of Substances of Very High Concern, SVHC, mainly lead, above the limit of 0,1%, referring to the SVHC Candidate List of 04. February 2026.

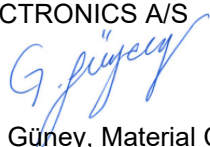

OJ has registered the products in the SCIP database in accordance with EU Waste Framework Directive 2008/98/EC amended by Directive (EU) 2018/851 and further information can be found in the database <https://www.echa.europa.eu/scip-database>

Please note that some of the products might be registered in the SCIP database in groups and therefore refer to the same SCIP number.
