ATTENTION!
1. Push the doorbell into the wall.
2. Push the doorbell into the wall.
This chime plays a selected tune (from 25) for front door and a fixed tune for rear. It can be powered by transformer or batteries. Lighted pushes require the use of a transformer.

Ce carillon joue un air sélectionné, parmi 25, pour la porte principale et un air fixe pour la porte de service. Il peut être alimenté soit par piles soit par transformateur. Les boutons-poussoirs lumineux ne fonctionnent qu'avec un transformateur.

Dieser Gong spielt eine ausgewählte von 25 möglichen Melodien und hat zusätzlich eine festgestellte Melodie. Kann mit Klingeltransformator oder Batterien werden. Ist ein beleuchteter Rufknopf installiert, muss in jedem Fall ein Transformator verwendet werden.
