

## Product Description

Enables the use of cable glands with larger connection threads than the existing threaded holes

## Application range

---

- Machines
- Devices
- Housings

## Benefits

---

- Enables the use of cable glands with larger connection threads than the existing threaded holes

## Design

---

- Metric connection thread acc. to EN 50262

Technical Data

Material

Nickel-plated brass

Range of temperature

-60°C up to +200°C
