

Figure-8 cables with Metallic messengers

**Dielectric Suspension Clamp ARC**

- ❑ **Function :**  
Suspension of figure-8 cables on wooden and metallic poles.
- ❑ **Capacity :**  
7 to 11 mm / 0.28 to 0.43 inch messengers (over insulation).
- ❑ **Characteristics :**

Material	Weight (kg)	Packaging unit
Body : UV protected thermoplastic Screw : protected steel	0.130	50

**Suspension Bracket 30/41**

- ❑ **Function :**  
Securing the dielectric suspension clamps on undrilled poles.
- ❑ **Characteristics :**

Material	Weight	Packaging unit
Galvanised steel	0.11 kg – 0.25 lbs.	100

**Securing bolt BH14x250**

- ❑ **Function :**  
Securing the dielectric suspension clamp ARC onto Ø160 mm wooden poles.
- ❑ **Consisting of :**

1 Screw	2 Nuts	2 washers	2 washers
HM14-250 / 190 N	HM 14 N	70x35x5	Ø 14

- ❑ **Characteristics :**

Material	Weight	Packaging unit
Galvanised steel	0.500 kg – 1.1 lbs.	50

**Assembling bolt BH14x80**

- ❑ **Function :**  
Securing the dielectric suspension clamp ARC on bracket 30/41.
- ❑ **Consisting of :**

1 Screw	2 Nuts	2 washers
HM14-80 / 40 N	HM 14 N	Ø 14

- ❑ **Characteristics :**

Material	Weight	Packaging unit
Galvanised steel	0.150 kg – 0.33 lbs.	100
