

Sikringslastskillebryter type LTL...250 A og LTL... 400 A 3-polet m/bunnfeste

Tilkobling på 10 mm bolt for kabelsko (uten Q)

LTL1-3/9G

- 1690026

Tekniskinformasjon:

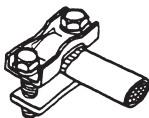

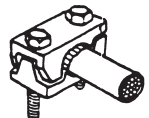

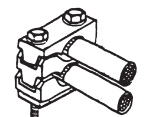

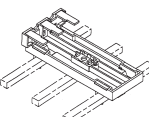

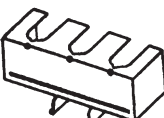

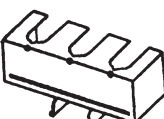

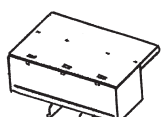

250 A 690 ~ gr.1

Standard bryter med "Q" er grå

Bryter med "Q" er sort

Alle brytere leveres med "luke" for spenningsmåling før og etter patronen. Standard brytere leveres uten "Q". De andre leveres i personsikker utførelse type "Q", for høy innkoblingsevne mot store kortslutningsstrømmer (50kA) Halogenfrie
