

Programmable Rating Plug

Part no. IZMX-RP-PXR-1
Catalog No. 183992

EL-Nummer (Norway) 4398401

Delivery program

Product range			Accessories
Accessories			Options / accessories trip blocks
Accessories			Programmable rating plug (rate current module)
			Rated operational current I_n can be programmed to be lower, e.g., in order to adapt to a change in conditions in the relevant application. The value can only be changed to a value less than or equal to the basic device's rated operational current I_u . A USB drive with a passcode and 17 plugs for changing the inscription indicating the new I_n rated operational current are provided.
Suitable for circuit-breaker $I_u=$			200 A... 4000A aber $\leq I_u$
For use with			IZMX16... IZMX40... IEC

Design verification as per IEC/EN 61439

Technical data for design verification			
Operating ambient temperature min.		°C	-25
Operating ambient temperature max.		°C	70

Technical data ETIM 7.0

Low-voltage industrial components (EG000017) / Accessories for low-voltage switch technology (EC002498)			
Electric engineering, automation, process control engineering / Low-voltage switch technology / Component for low-voltage switching technology / Component for low-voltage switch technology (accessories) (ecl@ss10.0.1-27-37-13-92 [AKN570013])			
Type of accessory			Other
